SOPHIA STUTCHBURY

EPK 2019

BIOGRAPHY

Sophia is a highly experienced Singer, Songwriter, Topliner and Vocal Coach. Sophia has had a number of commercial releases on various independent record labels as a solo artist [Sophia Stutchbury], a front woman [Sophia Syndicate] and as a featuring artist. She has written and worked with writers and musicians behind Frank Sinatra, Sammy Davis Jr, Celine Dion, Cher, Rod Stewart, Andrew Lloyd Webber and more!

Sophia performs live and records in the studio. She writes for herself and other artists, collaborating on various musical projects. With tracks reaching No 2 & No 3 in the Beatport charts, No 8 in the Music Week Charts and No18 in the Scottish New Music Global Charts along with radio play and commercial success. Her latest album "Start Something" is a testament to the diversity of her vocal talents. From Jazz, Soul and Pop to House, Drum 'n' Bass and Hip Hop, Sophia's vocal range and songwriting abilities know no boundaries.

Sophia, along with husband and Music Producer Tim Smith aka Technical Finger, have been running a recording studio for many years. Originally started at as a home set up, the pair quickly out grew their home studio and in 2018 they moved into a bigger purpose built premises, Seaview Studio & Rehearsal Rooms in Folkestone, Kent. Seaview Studio not only operates as a recording studio but also as a hub for Sophia and Tim to run Artist Development programs, production workshops, vocal coaching and more!
